

**Minutes of the Bembridge Parish Council Planning Committee meeting held at 6:00pm on
Wednesday 21st January 2026 in the Village Hall.**

**Officer in attendance: Mark Rochell, Clerk to the Council: clerk@bembridgeparishcouncil.gov.uk
22nd January 2026**

Committee Members in attendance: Cllr I Davis, Cllr M Groom, Cllr S Noyes, Cllr M Sullivan

Public Forum: Two members of the public were in attendance.

Mr Andrew Holman spoke on behalf of the Harbour Farm Nature Group and requested that the Parish Council support their request that the orchard containing a heritage apple 'Douglas Haig Apple' specific to the Isle of Wight is protected. They would also like to see the lodge maintained as a possible bird hide.

Mr Ken Hicks, former owner of the buildings in question, pointed out that the dilapidated state of the site is only since the compulsory purchase resulted in the buildings being left and neglected. He supported the demolition of the Farmhouse and Cottage but insists that the lodge, which is in a unique position overlooking freshwater, should still be in a good state of repair and easily utilised as a future site for bird watching.

Resolved: To recommend that the IoWC Planning Authority GRANT the application for the demolition of the Harbour Farmhouse and Water Bailiffs Cottage, however, they also recommend that the application for the Log Cabin/Lodge is REFUSED until further consideration is given to maintaining and refurbishing for future use (possibly as a bird hide). BPC would also like to see protection be given to the orchard on site, and that the lease for the land (which was purchased with taxpayers' money) be offered to the market rather than automatically be given to the RSPB.
