

Clerk's Report – SPR Committee 8th April 2026

Agenda item 6: MUGA

A few weekends ago, I ventured over to Freshwater to take a look at their MUGA, as the people I've been talking to about marking out Pickleball courts on our basketball court, did exactly the same thing over in Freshwater. (see below).

Upon contacting Freshwater Parish Council, they gave me the details of the company that carried out the resurfacing work for them.

I contacted them and sent over pictures of our basketball courts and a rough estimate of dimensions based on previous estimates.

They have now provided a quote as follows:

Chemically treat the surface with moss and algae substance

Up to 5 no. minor repairs using 2mm emerald stone mixed with polyurethane binder

Thoroughly clean porous macadam sports surface

Supply and install specialist court binder to help strengthen existing surface

Supply and install anti slip colour coating

Supply and install 50mm Line Markings for Basketball, Pickleball and Netball

At a cost of approx.: **£11,110.00**

Below are examples of similar jobs:

<https://www.youtube.com/watch?v=XAMkDw9qhvk>

<https://www.youtube.com/watch?v=almamaOI0DM>

Bearing in mind the results of the consultation as discussed at agenda item 5, the committee may wish to discuss the above as a possible scaled back, compromise option, that could help move this project forward?

Thank you

Mark Rochell

Clerk to Bembridge Parish Council

Parish Council Office
5 Foreland Road, Bembridge
Isle of Wight, PO35 5XN
TEL: 01983 874160

Opening hours: Tuesday to Friday 09.30 – 12:30
