BEMBRIDGE PARISH COUNCIL

COMMUNICATIONS AND MEDIA POLICY

1. Introduction

- 1.1 The use of digital and social media and electronic communication enables the Parish Council to interact in a way that improves the communications, both within the Council, and between the Council and the people, businesses and agencies it works with and serves.
- 1.2 The Council has a website and Facebook page and uses email to communicate. The Council will always try to use the most effective channel for its communications. Over time the Council may add to the channels of communication that it uses as it seeks to improve and expand the services it delivers. When these changes occur, this Policy will be updated to reflect the new arrangements.
- 1.3 The Council Facebook page intends to provide information and updates regarding activities and opportunities within our Parish and promote our community positively.

2. The Legal Framework

- 2.1 The law governing communications in local authorities can be found in the Local Government Acts 1986 and 1988. The Council must also have regard to the governments Code of Recommended Practice on Local Authority Publicity.
- 2.2 The Parish Council's adopted Standing Orders should be adhered to.

3. PARISH COUNCIL CORRESPONDENCE

- 3.1 The point of contact for the parish council is the Clerk, and it is to the Clerk that all correspondence for the parish council should be addressed.
- 3.2 The Clerk should deal with all correspondence following a meeting.
- 3.3 No individual Councillor or Officer should be the sole custodian of any correspondence or information in the name of the parish council, a committee, sub-committee or working party. In particular, Councillors and Officers do not have a right to obtain confidential information/documentation unless they can demonstrate a 'need to know'.
- 3.4 Most official correspondence should be sent by the Clerk in the name of the council using council letter headed paper. For correspondence not sent by the Clerk, he must be provided with a copy.

4. Agenda Items

- 4.1 Agenda should be clear and concise. They should contain sufficient information to enable Councillors to make an informed decision, and for the public to understand what matters are being considered and what decisions are to be taken at a meeting.
- 4.2 Items for information should be kept to a minimum on an agenda.
- 4.3 Where the Clerk or a Councillor wishes fellow Councillors to receive matters for “information only”, this information will be circulated via the Clerk.

5. Communications with the Press and Public

- 5.1 The Clerk will clear all press reports, or comments to the media, with the Chair of the council or the Chair of the relevant committee.
- 5.2 Press reports from the council, its committees or working parties should be from the Clerk or via the reporter’s own attendance at a meeting.
- 5.3 Unless a Councillor has been authorised by the council to speak to the media on a particular issue, Councillors who are asked for comment by the press should make it clear that it is a personal view and ask that it be clearly reported as their personal view.
- 5.4 Unless a Councillor is reporting the view of the council, they must make it clear to members of the public that they are expressing a personal view.
- 5.5 If Councillors receive a complaint from a member of the public, this should be dealt with under the Council’s adopted complaints procedure.

6. Councillor Correspondence to External Parties

- 6.1 As the Clerk should be sending most of the council’s correspondence from a Councillor to other bodies, it needs to be made clear that it is written in their official capacity and has been authorised by the parish council.
- 6.2 A copy of all outgoing correspondence relating to the council or a Councillor’s role within it, should be sent to the Clerk, and it be noted on the correspondence, e.g. “copy to the Clerk” so that the recipient is aware that the Clerk has been advised.

7. Communications with Parish Council Staff

- 7.1 Councillors must not give instructions to any member of staff, unless authorised to do so (for example, three or more Councillors sitting as a committee or subcommittee with appropriate delegated powers from the council).
- 7.2 No individual Councillor, regardless of whether or not they are the Chair of the council, the Chair of a committee or other meeting, may give instructions to the Clerk or to another employee which are inconsistent or conflict with council decisions or arrangements for delegated power.
- 7.3 Telephone calls should be appropriate to the work of the parish council.

7.4 Emails:

- Instant replies should not be expected from the Clerk; reasons for urgency should be stated;
- Information to Councillors should normally be directed via the Clerk;
- E-mails from Councillors to external parties should be copied to the Clerk;
- Councillors should acknowledge their e-mails when requested to do so.

7.5 Meetings with the Clerk or other officers:

- Wherever possible an appointment should be made;
- Meetings should be relevant to the work of that particular officer;
- Councillors should be clear that the matter is legitimate council business and not matters driven by personal or political agendas.

8. CONTACT WITH THE MEDIA

- 8.1 The Clerk and Members should always have due regard for the long-term reputation of the Council in all their dealings with the media.
- 8.2 Confidential documents, exempt Minutes, reports, papers and private correspondence should not be leaked to the media. If such leaks do occur, an investigation will take place to establish who responsible and appropriate action was taken.
- 8.3 When the media wish to discuss an issue that is, or is likely to be, subject to legal proceedings then advice should be taken from the Council's solicitor before any response is made. Whenever possible any information given to the press shall be given in writing so as not to leave interpretation open to misunderstanding and misreporting.
- 8.4 There are a number of personal privacy issues for the Clerk and Members that must be handled carefully and sensitively. These include the release of personal information, such as home address and telephone number (although Member contact details are in the public domain); disciplinary procedures and long-term sickness absences that are affecting service provision. In all these and similar situations, advice must be taken from the Clerk before any response is made to the media.
- 8.5 When responding to approaches from the media, the Clerk or the Chair are authorised to make contact with the media.
- 8.6 Statements made by the Chair and the Clerk should reflect the Council's opinion.
- 8.7 Other Councillors can talk to the media but must ensure that it is clear that the opinions given were their own and not necessarily those of the Council.
- 8.8 There are occasions when it is appropriate for the Council to submit a letter, for example to explain important policies or to correct factual errors in letters submitted by other

correspondents. Such letters should be kept brief and balanced in tone and correspondence should not be drawn out over several weeks. All correspondence must come from the Clerk.

9. Attendances of Media at Council Meetings

- 9.1 The Local Government Act 1972 requires that agendas, reports and minutes are sent to the media on request.
- 9.2 The media are encouraged to attend Council meetings and seating and workspace will be made available.
- 9.3 Any filming or taping of Council proceedings by the media must be with prior notice to the Clerk and Chair of the meeting (see Standing Orders).

10. Press Releases

- 10.1 The purpose of a press release is to make the media aware of a potential story, to provide important public information or to explain the Council's position on a particular issue. It is the responsibility of the Clerk and Members to look for opportunities where the issuing of a press release may be beneficial.
- 10.2 The Clerk or any Member may draft a press release, however they must all be issued by the Clerk in order to ensure that the principles outlined in section two (Legal Framework) are adhered to, that there is consistency of style across the Council and that the use of the press release can be monitored.
